GERMAN DESK

GERMAN DESK

The German Desk of Emerenciano, Baggio & Associados – Advogados to advice companies and investors with interests or business operations in Brazil that have connections to Germany through their capital origin, nationality or activities. This also includes countries with a German-speaking tradition.

Similarly, the firm provides support to domestic companies and investors engaged in business transactions with German-speaking countries, offering comprehensive advice on various aspects of business law.

The commercial relationship between Brazil, Germany and other German-speaking countries like Austria, Belgium, Liechtenstein, Luxembourg and Switzerland spans across different economic sectors, involving significant investors and business partners.

Our interdisciplinary team at the EBA German Desk specializes in addressing specific demands related to bilateral relations between Brazil and German-speaking countries. We serve national and international clients of different sizes and from various industries.

One of the key advantages of the EBA German Desk is our team of bilingual professionals in German language. This facilitates effective communication, fosters synergy between the involved parties and enables us to understand and navigate cultural and legal differences that may impact commercial transactions and legal proceedings.

Our professionals can act as consultants or handle judicial or arbitration matters.

We maintain strong relationships with law firms throughout Europe through our affiliation with the Lawrope International Group of Lawyers.

The EBA German Desk offers a wide range of legal services tailored to the specific needs of each client.

Activities:

- Advisory services for mergers and acquisitions (M&A), joint ventures, investments in Brazil, establishment of new companies, site selection, acquisition of properties, assets and rights in Brazil
